## MORE Special Offers!

Concierge Connection often gets requests for restaurants, hotels, and spas. So, we have decided to launch a new place on our website that will list **our preferred restaurants, hotels**

**and spas** with any promotions that they are offering you for that month. Log onto our website at [www.cciservices.org](http://www.cciservices.org), click on the "services" tab at the top of the page, then scroll down to "restaurants" or "hotels" (we will add "spas" at a later date). There you will be able to find that list, which will continue to expand throughout the year. We will also update the offers (if applicable) by the 1st of each month. Not all hotels/restaurants/spas will have special offers every month. However, please understand that these are the hotels/restaurants/spas that our team has personally visited and highly recommends should you be looking for a fabulous place to visit!

## POSTAGE (.44)

That's how much you can expect to pay for a first-class stamp starting

May 11.

So, it's time to stock up on

"Forever" stamps.

You can save a little money by buying

"Forever"

stamps now, as their price will increase in May as well. However, by purchasing them early, the stamp will still be valid even after the rate increase...forever! The charge for other services, such as advertising mail, periodicals, packages and special services will also change. The changes in the price for Priority Mail and Express Mail will be announced later. Under a new law, postal prices will be adjusted each May. Officials said they plan to give 90 days' notice of future changes, twice what is required by law.

For your convenience, you may purchase books of "Forever" stamps through your concierge.
